Step-by-step: what to do when you call an emergency number in Cyprus

1. **Stay calm and speak clearly.**

2. **Give exact location first:** street name, number, landmark, or GPS coordinates. If at sea, give boat name and coordinates.

3. **State the nature of the emergency:** medical, fire, crime, accident, gas leak, etc.

4. **Estimate number of people involved and injuries.**

5. **Mention hazards:** smoke, fire spread, electricity downed lines, chemical smell, gas leak.

6. **Follow the dispatcher's instructions exactly.** They may give life-saving guidance.

7. **Remain on the call until the dispatcher confirms it's OK to hang up.**

What is the main emergency number in Cyprus?

The main emergency number in Cyprus is **112**, which connects you to police, ambulance and fire services. It is free, works from any phone and supports multiple languages.

Should I call 112 or 199 in Cyprus?
